Our Sophia Series® Patio Door was created to provide safety, security, and comfort. Often the largest window of your home, you can maximize light and ventilation with an easy to use, durable and energy efficient option for entry into your home.

Options
Consider enhancing the look of your patio door with grids or blinds. Both are placed between the panes of glass for easy cleaning.

Grids are color-coordinated to your patio door, can be flat or sculptured.

Internal blinds can be raised, lowered and/or tilted for your desired level of privacy and light.

NOTE: Printed colors are only an approximation. See actual samples for exact match.
